

Primary Sports Premium Funding 2023 -2024

At Castle Cary Primary School our mission is to create and inspire happy, successful, confident and responsible learners who strive to be the best they can be. We aim to be "*a school where learning is an adventure.*"

Our vision is:

1. A whole school ethos where everyone feels safe, respected, valued, included, happy and healthy
2. An inspirational and aspirational curriculum underpinned by our core learning values
3. To have effective and efficient leaders who have outstanding knowledge of the school
4. A school where achievement in all areas is celebrated

Primary Sport Premium: This financial year the school has received £17,830 to support and develop the delivery of high quality PE in school.

How we use the money effectively: A specialist sports coach offers a range of after school clubs and we try to identify sports that children may not have tried before during the year. In addition to this, we have recently trained our own Forest School leader to develop outdoor learning across the whole school. Our own PE leader monitors the provision of PE across the school and ensures appropriate CPD is in place for staff. We continue to develop our teaching assistants by training them working alongside our specialist coach. We also use the funding to encourage children to participate in tournaments and inter school competitions. We are also encouraging greater activity at break times with new equipment for the children to use.

The 5 key indicators that schools should expect to see improvement across:

1. The engagement of all children in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all children
5. Increased participation in competitive sport

Funding	
Total amount of funding for 2022/2023	£17,830

Key indicator 1: The engagement of all pupils in regular physical activity - Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation
Intent	Implementation	Impact	Next steps
To further develop OPAL in school to ensure more children are engaged in positive play at break times	Opal leader appointed plus OPAL supervisor OPAL action plan to be written with OPAL mentor and implemented 2022 - 2024	£3000	
Play leader (MDSA) to encourage more active break times	Lunch time MDSA employed as Play leader to organise games on playground, involve more children	£4312	
Provision of extra-curricular clubs for students to attend after school.	Sports coaches and staff to run clubs at least 4 times a week offering a whole variety of sports	£3420	
Continue to prioritise and develop outdoor learning across the school with a newly qualified leader offering sessions every afternoon	All children can access outdoor learning with some accessing this as an intervention	£5436	

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation
Intent	Implementation		Impact	
Display introducing House captains - and a board that celebrates sport in school and outside school	Sport board changed regularly in school	None		
Increase parental engagement and develop a positive attitude to physical education and wellbeing	Sports coaches to invite parents in to participate in a PE lesson with their children	None
